**Gina Campanella**

Ms. Campanella is a founding Partner of the Gallagher Campanella LLC law firm where she focuses her practice on healthcare regulatory and transactional matters federally and in New Jersey, New York and Pennsylvania. Ms. Campanella has assisted clients with transactional services and regulatory compliance consulting, as well as general counsel services to small practices and large societies and medical groups alike. Clients also seek her expertise when reviewing employment agreements, formation of new practices, separation from and sale of practices, business structuring, and surgical center licensing and registration.
